

CARLTON CANNES

The Carlton Cannes, a Regent Hotel, reopened on March 13, 2023, following its entire renovation and extension project. Our hotel has not experienced such a transformation since its first opening in 1913. 110 years after opening, the “Grande Dame” enters a new century and we are delighted to write the next chapter of its history. The hotel is fully renovated and has two extended wings unveiling new suites, an interior garden of 2,000sqm with a bar and an infinity pool, a fitness & spa and a 1,800sqm conference center. Life at the Carlton Cannes begins anew yet is as sublime as ever.
