

RECEPTIONS AND VENUES

THAT'S ENTERTAINMENT

The Grande Dame, reopened in 2023 after its great metamorphosis, is the ideal venue for the entertainment industry, seamlessly blending luxury, privacy, and legendary service. Dedicated to accommodating the unique needs of high-profile guests, Carlton Cannes provides exclusive amenities, discreet security, and a specialized team to ensure that each stay is both productive and truly unforgettable.

The entertainment industry shares our mantra that life is about moments to be lived, which is why we commission IATA Members our Room & Breakfast Rate.
